Overview

Powered by PrecisionCore® Heat-Free Technology the WorkForce WF-7845 all-in-one printer quickly produces high quality prints up to A3+ (13" x 19") and scans up to A3 (11" x 17"). A versatile inkjet, it features a 550-sheet capacity, dual trays, plus a rear feed for specialty paper, ensuring added productivity for any office. It also includes auto 2-sided print, copy, scan and fax, plus a 50-page Auto Document Feeder. Use the 4.3" colour touchscreen for easy navigation and control. Featuring the ultimate in wired and wireless networking, the WF-7845 makes it easy to print from tablets and smartphones², and includes Wi-Fi Direct®, Ethernet.

KEY FEATURES

Get Performance and Productivity – the WorkForce WF-7845, powered by PrecisionCore Heat-Free Technology
High Quality – borderless prints up to A3

Fast Printing – 25 ISO ppm (black) and 12 ISO ppm (colour)¹; ideal for home or small office productivity

High-Volume Printing – 500-sheet capacity, dual trays, plus a 50 sheet rear feed for specialty paper; 125-sheet output tray

Auto 2-Sided Print, Copy, Scan and Fax – plus 50-page Auto Document Feeder

Easy Navigation and Control – intuitive 4.3" colour touchscreen

Convenient Scanning Features – The WorkForce Pro WF-7845 will scan and save electronic copies of printed reports, or turn documents into editable text with the OCR software included. Additional features include scan-to-PDF. The wireless connection enables the user to select a computer to send a file to the printer's USB port and allows files to be uploaded straight to the PC.

Ultimate Wireless Printing and Networking – print from iPad®, iPhone®, Android™ tablets and smartphones²; includes Wi-Fi Direct³, Ethernet

Large Scans – easily scan up to A3 (11" x 17") with 2-sided Auto Document Feeder

Extra Large, High-Capacity Ink Cartridges Available – for high-volume printing

PRECISIONCORE INKJET TECHNOLOGY

Epson Heat-Free Technology does not require heat in the ink ejection process. Instead pressure is applied to the Piezo element, which flexes backwards and forwards firing the ink from the printhead.

In contrast, other technologies work with heat. Laser printers need to heat the fuser to enable printing, for example.

Fast Print Speeds

Get fast print speeds that rival those of colour lasers. Now you can speed through critical print jobs and focus on your business.

The WorkForce WF-7845 delivers professional quality, fast print speeds, making it easy to increase productivity, without compromising quality. Boasting fast print speeds of up to **25 ISO ppm** (black) and **12 ISO ppm¹** (colour), any project can be handled with speed and ease.

High Colour Resolution

Packing a greater number of nozzles into a smaller surface area, this high-resolution inkjet printhead, along with PrecisionCore Heat-Free technology, gives you ultra-sharp text, as well as stunning graphics and images — all with smooth gradations on both plain and specialty paper.

Efficient — Versatile Paper Handling PLUS duplex ADF

This model comes with a **50-sheet automatic document feeder** and offers duplex print, scan, copy and fax functions. The Workforce WF-7845 is always ready to print with the **two 250-sheet front loading paper trays**, PLUS the **rear specialty tray** to accommodate specialty media. You can get creative by printing on envelopes, labels, card stock and more.

High-Speed Faxing

Fax as fast as **3 seconds per page**, save up to 180 pages in memory, and store up to **200** numbers. Using the included PC-Fax, users can even send a **colour fax** right from their computer. It's a great way to save time and paper.

Extremely Durable Prints

Exclusive to Epson, **DURABrite™ Ultra ink** is a versatile pigment based, 4 colour ink technology which delivers brilliant, ultra-sharp detail on plain and specialty papers. These **fast drying inks** deliver durable prints that are **water, fade and smudge resistant**, as well as **highlighter friendly**.

Ultra-Sharp Text and Vibrant Graphics

Delivering perfectly round droplets and extremely accurate dot placement, these remarkable printers produce extraordinary output, whatever the application. You get laser sharp text for truly impressive results.

The Ultimate in Wireless and Network Printing

Using the WorkForce WF-7845 all-in-one has never been easier — whether in the office, on the road or even across the globe.

Simple Wireless Connectivity

Connect to your wireless network in a snap — even the latest wireless standard, 802.11 n, is supported. No network? No problem. Wi-Fi Direct means no router is required³ enabling users to easily connect to wireless networks in seconds, allowing printing from virtually any room in the office.

Wired Networking

Built-in **Ethernet** makes sharing the printer on your network quick and easy.

Print and Share from Anywhere in the World²

Print wirelessly from your iPad, iPhone, tablet or smartphone using **Epson Connect**. Easily print documents, photos, emails and web pages while in your office, on the road or across the globe. You can also scan your documents and save them to the cloud for access anytime, anywhere.

Print from your iPad or iPhone

Apple® AirPrint™ makes it simple to print emails, photos, web pages and documents straight from your iPad or iPhone. There's no software to download, no drivers to install and no cables to connect. Your Apple device will automatically connect to the printer.

Intuitive 4.3" Touchscreen with Gesture

The WorkForce WF-7845 has a built-in **4.3" touchscreen** with a keypad and gesture navigation that easily guides users through routine and complex tasks.

Save Energy, Save Paper

The WorkForce WF-7845 includes features such as automatic, two-sided printing and copying, users can save up to **50% on paper supply**.

Brilliant Results. Great Value.

The WorkForce WF-7845 not only provides brilliant results for the home and office, but also a smart value choice for the cost conscious consumer.

With **individual ink cartridges**, users only replace cartridges as needed, rather than the conventional process of having to replace an entire cartridge despite only having consumed one of the many colours it contains. Also, there is a wide range of ink cartridge sizes available to suit varying user needs – including **extra high capacity** and value packs for higher productivity and savings.

This printer is designed to function only with genuine Epson ink cartridges and not with third party ink cartridges. The printer may not function properly or at all if you use third party ink cartridges.

Save with Epson

Featuring high capacity individual ink cartridges, offering higher productivity and savings with XL size ink cartridges, providing **6 x more prints** than standard capacity cartridges and yields up to **2,200** pages in black and **1,100** pages in colour.

Epson CoverPlus Service Packs

Optional 2 Year On-Site Epson CoverPlus provides additional two years service; covering parts, labour & on-going technical support.

- Additional 2 years On-Site service & support;
- Covers parts & labour including print heads;
- Dedicated unlimited technical phone & email support;
- Priority call queue;
- Repaired by Epson trained professionals.

For more information visit [Epson CoverPlus](#).

¹ Black and colour print speeds are measured in accordance with ISO/IEC 24734. Actual print times will vary based on system configuration, software, and page complexity. See [Printspeed](#) for details, including complete ISO reports.

² Most features require an Internet connection to the printer, as well as an Internet - and/or email-enabled device. For a list of Epson Connect™ enabled printers and compatible devices and apps, visit [Epson Connect](#)

³ Wi-Fi CERTIFIED™; level of performance subject to the range of the router being used. Wi-Fi Direct may require printer software.

This printer is designed to function only with genuine Epson ink cartridges and not with third party ink cartridges. The printer may not function properly or at all if you use third party ink cartridges.	

Usage Conditions

Epson products are designed and made to give highly reliable use and long life when used according to its specifications. With any system, product or device used in situations where human life may be involved or at risk, Epson advises that you should take all necessary steps to ensure the suitability of your Epson product for inclusion in your system, and recommends that you include fail-safe procedures and redundancy support or backup equipment in your system, to maintain the maximum safety margin and optimum system reliability. Examples include but are not limited to – do not interfere with any electrical components within the device, do not use items supplied with the product for purposes other than as intended by Epson (ie mains cords, inks, CDs, plastic wrapping) and do not make modifications to the product.

This printer is designed to function only with genuine Epson ink cartridges and not with third party ink cartridges. The printer may not function properly or at all if you use third party ink cartridges.

Consumables

Warning to Epson printer owners. Many well known third party companies claim their inkjet printing papers are compatible with all Epson inkjet printers. Epson has reports from many customers who have used third party paper and have been very disappointed with the results. When the same customers have changed to genuine Epson paper, they have been amazed and pleased with the colour and quality of their prints. Epson recommends that you do not use any non genuine printing papers if you want to get the best results from your Epson printer. Epson printers are very carefully tuned to ensure Epson inks and Epson's patented MicroPiezo™ printhead produce the best quality prints using carefully selected Epson paper.

This printer is designed to function only with genuine Epson ink cartridges and not with third party ink cartridges. The printer may not function properly or at all if you use third party ink cartridges.

Equipment supplied by Epson Australia is designed to function in conjunction with genuine Epson consumables and accessories specifically configured for it.
