Epson SureColor T3760D / T5760D / T7760D/DL

- Designed for high-speed, high-volume production with enhanced colour gamut
- Dual roll capability with auto loading and auto exchange
- Second roll can also be configured as an auto take-up
- Extremely compact design with enhanced media support and flexible networking
- Economical operation with low power consumption and cost-effective ink cartridges
- Features Epson's latest PrecisionCore® print head technology
- Uses all-pigment UltraChrome™ XD3 ink for scratch and moisture resistant prints
- On-board high-speed PostScript for drag-n-drop printing
- Optional high-capacity SSD for efficient workgroup operation and rapid reprint
- Integrated pull-out media bin and Epson Cloud Solution PORT support
- Comprehensive warranty with on-site service up to 5 years (includes print head)[1]

Epson SureColor T3760D / T5760D / T7760D/DL
