

SG Professional AC Series Air Conditioned 19" Equipment Racks

Suitability

The AC Series Air Conditioned racks provide an indoor, air conditioned environment for industry standard equipment including file servers and communication hardware.

This rack provides a cost-effective solution where an air-conditioned room is not available.

Rack Features

The AC Series rack is a deep industry standard 19" rack designed for use with a side-mounted air conditioning unit. The rack includes mounting rails and front and rear door and is extra-deep to accommodate most industry standard servers. Colours available include black, grey and cream.

Air-Conditioning Unit Features

The Air-conditioning unit provides 5000BTU of cooling which is suitable for most environments. It operates off a standard 220/240V power point and is compatible with the optional UPS system.

Warranty, Options and Spare Parts

1 year repair/exchange warranty against defects in materials & workmanship. Spare parts are maintained in our Australian warehouse.

An extended 3 year warranty is available separately.

SGACW2	Additional 2 years warranty on AC Series racks
UPS1500VA2U	1500 VA 2U Uninterruptible Power Supply
UPS3000VA2U	3000 VA 2U Uninterruptible Power Supply
