

SG Audio Visual 600 Series Commercial Scissor Action Portable Pull-Up Screens

Suitability

The 600 Series are heavy duty, portable pull-up screens with a scissor action lift and wheels built into the housing. These screens are available in widescreen (16:9) format and standard (4:3) format in 1.6m width.

The screen surface is matte white.

Features

The 600 series screens provide a flat screen surface and easy opening and closing due to the system of gas struts and scissor action lift.

The screens features handles and wheels at each end of the housing to allow the screen to be wheeled in an out.

The rugged construction means that the 600 series is perfect for corporate, function centre and event hire use.
