

## SG Audio Visual AP Series Advanced Portable Screen

### Suitability

The AP Series are a unique portable screen with a horizontal scissor. These screens are only available in widescreen (16:9) format in 1.8m width.

The screen surface is matte white.

### Features

The AP Series screens provide great stability with its system of 4 legs. The unique design is extremely portable and the 1.8m wide screen packs down to only 1.12m long which fits comfortably on a car seat.

The horizontal scissor system tensions the screen to provide a flat screen surface. The screen is ready to use in seconds.
