

SG Audio Visual PC series Commercial Grade Portable Pull-Up Screens

Suitability

The PC series portable pull-up screen is a strong pole supported pull up screen with a rugged housing perfect for sales people. These screens are currently available in multi-purpose office (16:10) format only.

The screen surface is matte white.

The PC series has 4 widths being 1.2m, 1.6m wide, 1.8m wide and 2.0m wide. Add 14cms to this length to get the overall packed length of the screen.

Features

The PC series features a rugged housing with an integrated handle. The wider housing provides increased stability without the need for separate feet.

Assembly is quick and easy and the integrated handle means it is easy to carry.
