

SG Audio Visual X Series Commercial Grade Portable Pull-Up Screens

Suitability

The X Series portable pull-up screen is a lightweight pole supported pull up screen with a small, slim-line housing. These screens are available in multi-purpose office (16:10) format, home theatre (16:9) format and standard (4:3) format.

The screen surface is matte white.

The screens are our most-popular pull-up screen and designed for portability.

The X Series has 3 widths being 1.6m wide, 1.8m wide and 2.0m wide in each of the most common screen formats.

Features

The X series features a very small and lightweight housing measuring only 5.5-6.5cms high and only 12.5cms wide. The housing incorporates small stability feet and a single pole built into the housing.

Assembly is quick and easy and the light weight means it is easy to carry.
