Epson WorkForce DS-870 & DS-970 High Speed Scanning Solutions.

Epson are delighted to introduce two new scanning solution devices which provide world-class performance for busy workgroups. These are the ultra-fast, reliable DS-870 and DS-970 document scanners. Both designed for high-volume environments, where speed and dependability are critical, the DS-970 offers lightning-fast speeds up to 85 ppm/170 ipm¹, plus a 100-page ADF and peak daily duty cycle of up to 9,000 sheets².

The included TWAIN and ISIS[®] drivers ensure seamless integration with existing software, while a convenient, colour LCD display and buttons make navigating scan jobs and selecting modes easy.

KEY FEATURES & BENEFITS

- **Fast scan speeds** - from a leader in image capturing technology – up to 85 ppm/170 ipm¹; single-pass duplex scanning
- **High-volume batch scanning** – a 100-page Automatic Document Feeder handles even the biggest jobs; offers a peak daily duty cycle of up to 9,000 sheets²
- **Seamless compatibility** - with document management systems – includes TWAIN and ISIS drivers for easy integration with existing software; PC and Mac[®] compatible
- **Easy, intuitive scanning** – colour LCD display and convenient buttons offer easy access to user-defined jobs, settings, modes and maintenance
- **Versatile paper handling** – scan mixed stacks of business and ID cards, single sheets, long documents, and folded pages up to 11" x 17" (carrier sheet required for folded oversized pages, sold separately)
- **Advanced paper feed technology** – includes a Slow Speed Mode for delicate sheets; Double-feed Detection and Paper Protection prevent misfeeds
- **Powerful software with OCR** – use the included Epson Document Capture software to create searchable PDFs, or scan to online storage accounts like Evernote[®], SharePoint[®] and Google Drive[™]⁴
- **Compact, space-saving footprint**– powerful and compact desktop scanner easily fits within virtually any workspace
- **Expanded versatility**– choose from the optional Network Interface Unit to share the scanner across a network or optional Flatbed Dock to connect to a compatible Epson photo scanner for scanning photos, passports, or bound materials⁵ (both sold separately)

Volume and speed

With a 100-page ADF (Automatic Document Feeder), 65ppm or 85ppm scanning speed and continuous scanning with an automatic feed mode, these WorkForce scanners get through large jobs quickly and efficiently. It also features high-speed USB 3.0 for fast data transfer with TWAIN, WIA and ISIS drivers for enhanced compatibility with document management systems.

Efficient document processing

Users need not worry about variations in documents they need to capture – these scanners offer Epson's widest media handling from 27gsm to 413gsm and a long paper scanning mode up to 6096mm.

For documents that cannot be scanned via the ADF – three different flatbed solutions up to A3 in size are available⁶. Slow mode decreases document friction by reducing the speed of the rollers, making it easier to capture fragile or damaged documents, without increasing file sizes. The Active Separation Roller System prevents tedious document double feeds ensuring every piece of paper gets scanned. Additionally, the Double Feed Detection Skip (DFDS) function means you can scan difficult media like envelopes or documents with post-it notes.

Use an Optional Flatbed docking kit⁵ to match these scanners with a flatbed scanner (V39) for ultimate flexibility

Image enhancement and document management software

Epson Document Capture Pro is the easy to use solution for capturing and storing electronic documents at the touch of a button.

- Scan, save and share information easily. Use advanced features for naming, separating and routing documents makes scanning easy.
- Save and send files in common formats like PDF, jpeg, tiff and other formats.
- Create job profiles for one-touch push scanning. Rotate a document automatically by detecting the orientation of text using OCR capability.
- Automatically sort and separate large batches of paper documents into smaller digital files using a range of clever technologies.

PRODUCT CODE	DESCRIPTION	RRP (INC GST)
B11B250501	Epson WorkForce DS-870 Scanner	\$1,499
B11B251501	Epson WorkForce DS-970 Scanner	\$1,799
B12B808461	Network Adaptor	\$499
B12B819051	Carrier Sheet	\$79
B12B819291	Cleaning Kit	\$59
B12B819031	Roller Assembly Kit	\$49
B12B819011	Flatbed Docking Kit	\$99

Product Details

Product Code	DS-870 : B11B250501 / DS-970 : B11B251501
Barcode	DS-870 : 9314020628580 / DS-970 : 9314020628597
Predecessor	Epson WorkForce DS-860
Dimensions (mm – w x d x h)	296 x 169 x 167 mm
Weight (kg)	3.6 Kg
Carton dimensions (mm – w x d x h)	370 x 320 x 260
Packed weight (kg)	4.9 Kg
Cartons per pallet	48 units
Shipping from	1 st October 2019
Official launch	1 st October 2019

Product Specifications

Scanner Type	Sheet-fed
Optical Resolution	600dpi
Scanning Speed	
DS-870 = 300 dpi Mono / Colour	65ppm / 130ipm
DS-970 = 300 dpi Mono / Colour	85ppm / 170ipm
Output Formats	BMP, JPEG, TIFF, multi-TIFF, PDF, searchable PDF, PDF/A, PNG
Daily Duty Cycle	9,000 pages per day
Interface	USB 3.0
Bundled Software	Document Capture Pro 2.0, Epson Scan 2
Paper Weight	40-210 g/m ²
Paper Support	A4, A5, A6, B6, B5, B4, Letter, Legal, Postcard, Business cards, Plastic cards, A3 with stitching function
Operating Systems	Mac OS 10.6+, Windows 10, Windows 7, Windows 8, Windows 8.1, Windows Server 2003, Windows Server 2008 (32/64bit), Windows Server 2012 R2, Windows Vista, Windows XP SP3
What's in the box	AC adapter, Driver and utilities (CD), Main unit, Power cable, Setup guide, USB cable, Warranty card
Warranty ³	12 months (Back to Base)
Extended Warranty	(optional) up to 3 years

¹ Based on letter-sized scans at 300 dpi in Black-and-White, Grayscale or Colour Mode..

² Peak daily duty cycle is the highest recommended number of scanned sheets per day. For best results, do not exceed the peak daily duty cycle.

Calculations based on a scanning speed of 85 ppm and an assumed daily use time.

³ For more information, go to <https://www.epson.com.au/warranty/scanners.asp> Subject to limited warranty terms and conditions.

⁴ With Epson Document Capture software installed on the connected Windows PC or Mac. Internet connection is required.

⁵ Compatible with Epson Perfection® V19 or Epson Perfection V39 flatbed photo scanners, sold separately.

⁶ Carrier sheet required for folded oversized pages; sold separately.
