Photo Scanners

The lightweight portable scanner for fast scanning on the go

Printer Friendly Specs

 [Where to Buy](#)

Overview

Perfect for busy professionals, the Epson WorkForce ES-50 is designed for simple and effective document management within the home, office or mobile environments. Businesses who have a requirement to scan receipts, brochures, cards or other documents can improve retrieval time and desk space with the Epson ES-50. Similarly, the Epson WorkForce ES-50 is designed for business people who are engaged in field work, which requires simple and effective digitizing of paperwork for immediate sharing.

KEY FEATURES & BENEFITS

- Scan critical documents – scan and send receipts, statements, business/ plastic I.D. cards for records management
- Lightweight and travel-friendly – at 300g, get the portability you need to capture data while on the road; battery or USB power source
- Scan directly to popular cloud services¹ – scan to Google Drive™, Evernote®, SharePoint®, OneNote®, SugarSync®, OneDrive™, Dropbox™ and more²
- Create editable text and searchable PDFs³ – OCR and document management suite included for PDF and PDF/A files (Windows only)
- Powerful software included – Epson ScanSmart, Epson Document Capture Pro
- Connect to document management software– TWAIN driver supported
- Advanced colour and image adjustments made easy – Variable Colour Enhance, Colour Dropout and other innovative features⁴
- Versatile scanning for a variety of originals – scan from business cards and other important business documents easily using an LCD panel

Stay organised and go paperless, wherever business takes you, with the WorkForce ES-50 portable colour document scanner. At just 300g, you can easily slip it into your briefcase and go.

The portable scanner for smartphones, tablets, computers and more

Quickly scan receipts, business cards and more to smartphones, tablets, laptops or cloud services¹ including Google Drive, Evernote and SharePoint². With tools such as text enhancement, skew correction, Colour Enhancement and Colour Dropout⁴, scanning documents into editable text and searchable PDFs³ has never been easier. It also includes a TWAIN interface to support third-party document management software.

USB powered and lightweight, the ES-50 is perfect for busy mobile professionals.

Organisation on the go

Weighing just 300g, the WorkForce ES-50 is the ideal choice for busy professionals on the go. Take it with you in your shoulder bag or briefcase and quickly capture data in the office or on the road.

Connect the scanner to your laptop as a power source.

Portable scanning made easy.

- Edit scanned pages - multi-page rotation or re-ordering
- Auto document size detection - up to 215mm x 35.5mm
- Auto image type detection

Special scanning features included

You can preview the scanned data and send it to email, directly to other applications, or to the cloud¹.

- Clear, crisp image quality — up to 600 dpi resolution
- Auto document size detection — up to 215mm x 355mm
- Scan documents up to 215mm x 910mm
- Text enhancement for Colour, Black-and-White and Greyscale⁴ — for improved OCR accuracy
