# WorkForce DS-1730

Flatbed | ADF

## KEY FEATURES:

- **High-quality image scanning** – impressive image quality and a resolution of 1200dpi when scanning from the glass. Document Capture Pro also allows for any distortion, fold or shadow to be corrected without the need to re-scan the document.
- **Reliable and easy to use** – All Epson document scanners are manufactured using high quality components to ensure market leading results. The DS-1730 is equipped with intuitive software and can be set up quickly and easily.
- **Impressive media handling** – The user is able to scan documents of different sizes and quality, including irregularly-shaped and fragile documents. The DS-1730 also allows the user to choose between the auto document feeder (ADF) and glass scanning.

# features & benefits

## **FAST AND VERSATILE:**
