plustek

eScan Series

Scanning without a PC

The award winning Plustek eScan is a series of powerful and robust PC-less touch-screen auto document feeder network scanners for quick a brisk scanning from documents, photos, receipts, recipes, embossed cards, business cards, and more! eScan A350 is the latest model in its series, with the large 7" color touch-screen, all the functions you need display right there. The smartest scanning kiosk at your fingertips.

Higher CPU Performance

New core architecture provides an overall performance increases over 50% in addition to lower power consumption.

Faster Scanning Speed

Equipped with the higher CPU providing superior scanning speed performance up to 500% increase compared to previous models.

Maximize WiFi Performance

Maximize data rate by 288% using 5GHz triple MIMO spectrum with accelerating transfer rate of 1331 megabits per second (Mbps).

Enhanced Document Feeding

Equipped with ultrasonic to detect multi-feed which can cause scanning errors. Coup with new friction roller to extends up to triple of its lifetime.

TWAIN Compliant and Long Paper Scanning

Connect to your PC with Plustek DocTwain to easily scan to your desktop devices or streamline to your system with support up to 66" long paper scanning.

Connect Further

USB 2.0 available to connect with other USB devices (such as RFID (MiFare/ ISO14443A, only on Enterprise, SharePoint, and customized integration), keyboard, mouse, and more)

Plustek eScan A350

❖ KEY FEATURES

- 2-sided scanning up to 25 ppm / 50 ipm scan speed (300dpi/color)
- Equip with ultrasonic sensor handles multi-page documents with ease
- Reliable friction roller handle up to 6,000 sheets daily
- 2.8X increase roller life cycle for longer scanning productivity and lower cost
- TWAIN enable and included
- Offers Application Connectors and Open API for integration

Dealership

- Purchase Contracts
- Claim Applications & Policies
- New Accounts Openings
- Inspection Reports

Healthcare

- Admin Applications and Identifications
- Patients Growth Charts
- Medical Records

CPA

- New Accounts
- Application Signatures
- Invoices
