Learning is essential

BenQ Board Essential

RE6503 / RE7503 / RE8603 / RE9803

Android 11

40 touch points

Dustproof

Learning starts with good health

Healthy students are capable of excellence. Provide them with a powerful learning tool that helps protect their well-being in class so they're able to explore ideas safely and freely.

Learning starts with good health

Safe to touch

The RE series reduces the surface transmission of germs in the classroom. Its touchscreen, pen, and front panel button come with our proprietary germ-resistant formula that is recognized by TÜV to be 99.9% effective against common germs.

*Germ-resistant screen available on 65", 75", and 86" boards.

TÜV certified

SIAA certified

Protects your vision

Built-in eye care solutions protect the eyesight of students and teachers when they're using the BenQ Board. Low blue light and flicker-free technologies help prevent eye strain while the anti-glare 4K screen offers crisp, clear images.

TÜV certified

Flicker-free

Anti-glare

Low blue light

Let the RE suit your style

The RE gives you unparalleled flexibility when it comes to conducting classes. Teach your way by utilizing BenQ's free-to-use education features that suit both traditional and novel ways of teaching.

65 W USB Type-C

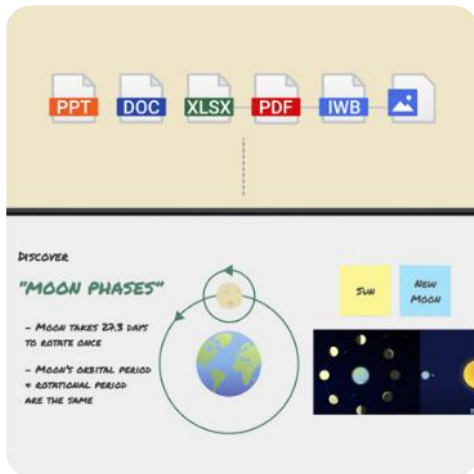

Gigabit Ethernet

OTA remote updates

Let the RE suit your style

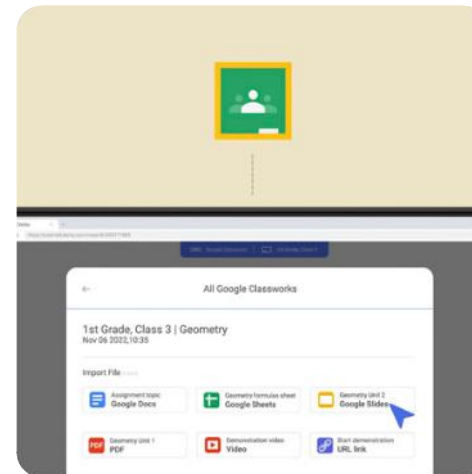

Do more than just write

EZWrite 6 is a whiteboard unlike any other. It lets you use different media—like PDFs and images—with interactive tools and templates that make teaching more convenient and classes more fun. Everything you need is on the board.

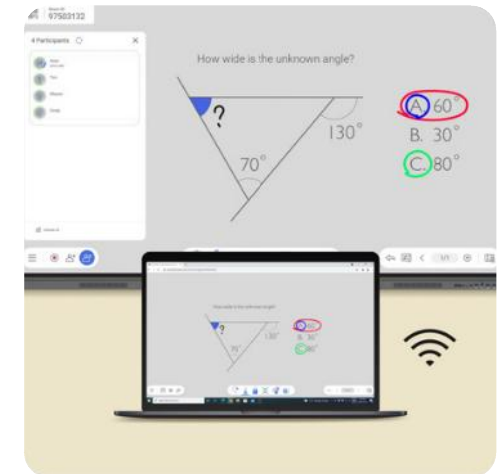

Get students on board

Open the floor for sharing with InstaShare 2. Students can cast their laptop or tablet screens via Miracast, Airplay, or the InstaShare app or button, allowing everyone to present their work and exchange ideas from their seats.

Use what's familiar to you

Whether you're used to teaching from your laptop or loading lessons from your cloud account or Google Classroom, the RE series allows you to use either methods via its multiple I/O ports and integration to cloud platforms.

Bridge the distance

Video conferencing and cloud whiteboarding turn the RE series into a highly interactive hybrid learning hub. Teachers can host classes in school while home-based students or even guest lecturers can join remotely from anywhere.

Designed for convenience

The simplest features make the biggest difference in the classroom.

Designed for convenience

Ports at the front

Front I/O ports, including a full-feature USB Type-C port, give you quick access to USB charging and touchback capabilities.

Accessible with a tap

BenQ Uni UI shortcuts and the floating tool allow you to instantly launch frequently used apps and tools like EZWrite and screen capture.

Hear loud and clear

Built-in 2x16W speakers make it easy to play audio without needing an external speaker or media device.

So many touch points

With up to 40 touch points and Fine IR+ technology, the RE's screen ensures fast and smooth response—perfect for group work.

Natural writing

A quick response rate and zero bonding technology make pen strokes smooth and accurate.

Built for speed

High-speed Gigabit Ethernet ensures faster transmission of class files and lesson content.

Certified dustproof

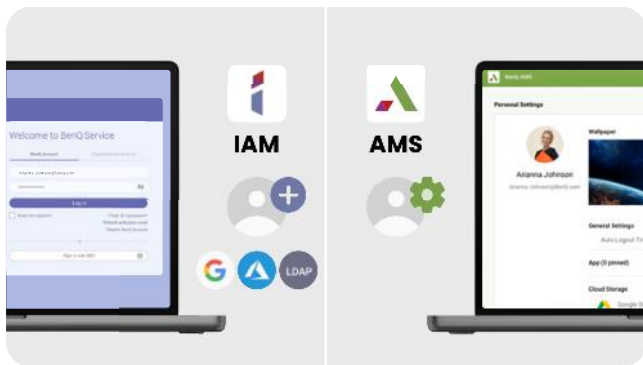

Meeting IP5X standards, the RE operates consistently even in dust-prone environments.

Effortless management

BenQ Boards make display management simple so you can focus on what matters.

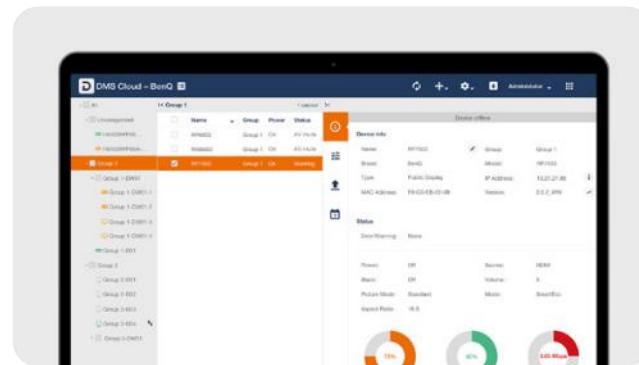

Effortless management

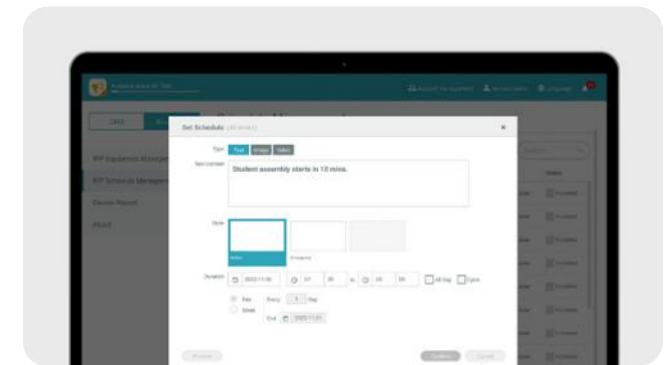

Centrally monitor and manage your displays

Remotely push updates, install apps, and generate device analytics for all your BenQ displays via a single easy-to-use device management platform.

Control access to displays and accounts

The Essential Series works with BenQ IAM and AMS, giving administrators a convenient way to manage user permissions and granting teachers immediate access to their cloud accounts.

Complement your school's PA system

Keep students and teachers up to date with real-time campus-wide announcements and reminders sent remotely from X-Sign Broadcast.

Dimensions (W×H×D)

RE6503 | 1488.3 × 896.6 × 87.5 mm (58.6 × 35.3 × 3.4 inch)

RE7503 | 1709.4 × 1020.2 × 87.7 mm (67.3 × 40.2 × 3.5 inch)

RE8603 | 1957 × 1159.9 × 99.7 mm (77.0 × 45.7 × 3.9 inch)

RE9803 | 2244.7 × 1323.2 × 89.5 mm (88.4 × 52.1 × 3.5 inch)

A : Front _____

- 1. Power
- 2. Remote control sensor
- 3. Ambient light sensor
- 4. USB Type-C
- 5. HDMI
- 6. USB Type-B (for touch)
- 7. USB 3.0

B : Left _____

- 8. RS-232
- 9. Ethernet
- 10. USB 3.0
- 11. USB Type-B (for touch)
- 12. HDMI
- 13. HDMI out
- 14. USB 2.0

C : Bottom _____

- 15. S/PDIF out
- 16. 3.5 mm audio in
- 17. 3.5 mm audio out
- 18. VGA
