Vitreous Enamel Writing Boards (Porcelain)

EDGE LX8000 ... is our new range of
Architectural Communication boards.

Featuring a Vitreous Enamel writing surface.

The frame is aesthetically designed to be **minimalist**.

A small lip in the aluminium profile covers the cut edge
of the porcelain surface

Designed to be installed with **NO visible fixings**

A '**Communication Wall**' can be created with unlimited
modules, 'butt joined' sided by side

Maximum module size is 3000 x 1200mm

Frames can be powder coated. Satin silver is standard

A small aluminium pentray is supplied standard .. or for
a clean look an optional Magnetic Pentray (600mm) in
white can be supplied .. which can be removed and
stored when not in use
