Why consider a Magnetic Glassboard ?

Firstly ... good *communication* .. ensures better business !

So, by using our magnetic Glassboards you're *creating* an environment where other team members better understand ideas, strategies and plans.

A glass whiteboard .. offers modern, stain free writing ... whilst adding a real touch of style to any office environment. Sleek, elegant .. and most of all ... *very* professional.

And a *magnetic* surface .. allows our Glassboard to be even *more* productive. Important memos or drawings are held in place with the super strong magnets supplied. The 300mm glass penshelf (supplied) hold pens and eraser.

The most stylish and professional ... communication board available in Australia today !
